

Sample Itinerary – International Service Project Cambodia

The best stuff you will see & do.

See New Hope Cambodia’s projects in action with private tours from our enthusiastic staff.

Watch the Sunrise at Angkor Wat. Explore the beauty of Bayon and the world-famous Tah prohm Temple.

Take a classic Khmer boat and experience the magic of the floating villages. Soak up the atmosphere as you float through the Tonle Sap Lake, which is the largest body of water Southeast Asia

Heat things up in the kitchen at our New Hope training School House Restaurant

Experience a culture and history so rich you’ll never want to leave.

*Prepare to be delighted,
challenged and filled with
hope all in the course of
one day*

**A week of experiences and projects you’ll never forget,
a whole lot of work and adventure...**

Absolute highlights for the trip

- Build the much needed houses for the very grateful community.
- Community visit (Our special Village Tour).
